“Love Letters”

Janelle at the Comfort Suites in Cicero made our day absolutely perfect! Everything turned out absolutely beautiful there! Staff was excellent and always were there when you needed something! Great quality and service at an excellent price! ~ Alyssa C.

Absolutely fabulous experience from planning to the event! Great staff and Chef! Accommodating and supportive every step of the way. It's a hidden gem. ~ Angela D.

We hosted our daughter's wedding reception this weekend and we're extremely pleased with the quality of the experience all around. Janelle was patient, flexible, and attended to every detail with precision and care. Christian could not have been more accommodating! The whole team was incredibly friendly and kind. My daughter and son in law were treated like royalty. Thank you for helping us to make her wedding day PERFECT!! ~ Anne C.

They were awesome to work with, customized the menu to match what we wanted, responded quickly to last minute changes, and helped plan the whole thing from start to finish. Most importantly, the day of, Janelle took care of everything. I've been to plenty of weddings where the bride and groom are getting tapped on the shoulder every five minutes it seems like but the only questions the staff asked us at our reception were if we wanted more food or did we need another drink. ~ John S.

Everything was perfect, I couldn't have asked for a better wedding coordinator than Janelle. She was wonderful and her staff was just as wonderful as she was. The banquet hall, the food (thank you Ken) everything was perfect which made our wedding celebration so magical. Thank you so much for making our wedding celebration so beautiful. ~ Anna A.

Great place to have any beautiful get together. We loved everything about the Ballroom and the lobby in the hotel. The lobby had so many nice details and we were able to take pictures in there. Janelle was awesome and was so easy to work with. She basically said yes to everything we asked for. It was a great day and we were happy to work with the staff at the hotel. We had an amazing day and the suites were wonderful as well. The suites were a nice touch and well worth the price. It added a nice touch for our special day. ~ Jessica D.

This venue is absolutely gorgeous! I fell in love as soon as I walked in the door. The staff was amazing and very helpful. I don't have a single complaint. ~ Patrecka G.

My wedding ceremony and reception were amazing. Everything was so beautiful, and they were able to help me make all of my ideas come to life! It was by far the most inexpensive place we looked at, and by far the best. Everyone was very professional and Janelle was super helpful with everything we needed and wanted. I would do it all over again if I could! ~ Linda B.

We absolutely loved having our wedding at the comfort suites ballroom! Janelle, Brandi, and all of the staff were wonderful!! Highly recommend this location. ~ Michelle E.
